...other year, preparing a banquet
 boiling an egg, it'll find it easier, smoother
 and cleaner when you use electric. Here's
 how electric cooking helped with the food
 in our picture.

ROAST BEEF: Joints cook faster and more evenly in an electric fan oven, so that they keep all their meaty succulence. And afterwards, there's a minimum of cleaning to do, because electric ovens help themselves clean.

YORKSHIRE PUDDINGS: Again, an electric fan oven is a big help. The temperature is constant throughout the oven—so no matter how you place your Yorkshire puddings, they'll all cook in the same time.

...obviously, this has to be
